# **Model Standing Orders**

## **Reservation and Delegation of Powers**

## **For Local Health Boards**

**ADOPTED BY POWYS TEACHING HEALTH BOARD – MAY 2024**

## Foreword

These Model Standing Orders are issued by Welsh Ministers to Local Health Boards using powers of direction provided in section 12 (3) of the National Health Service (Wales) Act 2006. Local Health Boards (LHBs) in Wales must agree Standing Orders (SOs) for the regulation of their proceedings and business. When agreeing SOs LHBs must ensure they are made in accordance with directions as may be issued by Welsh Ministers.

These SOs are designed to translate the statutory requirements set out in the Local Health Boards (Constitution, Membership and Procedures) (Wales) Regulations 2009 (S.I. 2009/779 (W.67)) into day to day operating practice, and, together with the adoption of a Scheme of decisions reserved to the Board; a Scheme of delegations to officers and others; and Standing Financial Instructions (SFIs), they provide the regulatory framework for the business conduct of the LHB.

These documents form the basis upon which the LHB's governance and accountability framework is developed and, together with the adoption of the LHB's Values and Standards of Behaviour framework, is designed to ensure the achievement of the standards of good governance set for the NHS in Wales.

All LHB Board members and officers must be made aware of these Standing Orders and, where appropriate, should be familiar with their detailed content. The Board Secretary will be able to provide further advice and guidance on any aspect of the Standing Orders or the wider governance arrangements within the LHB.

## Section A – Introduction

### Statutory Framework

- i) Powys Teaching Local Health Board (the LHB) is a statutory body that was established on 1 April 2003 and became operational on the 1 June 2003 under **The Local Health Boards (Establishment and Dissolution) (Wales) Order 2003 (S.I. 2003/148)**, “the Establishment Order”.
- ii) The principal place of business of the LHB is Glasbury House, Bronllys Hospital, Bronllys, LD3 0LY.
- iii) All business shall be conducted in the name of Powys Teaching LHB, and all funds received in trust shall be held in the name of the LHB as a corporate Trustee.
- iv) LHBs are corporate bodies and their functions must be carried out in accordance with their statutory powers and duties. Their statutory powers and duties are mainly contained in the **NHS (Wales) Act 2006** which is the principal legislation relating to the NHS in Wales. Whilst the **NHS Act 2006** applies equivalent legislation to the NHS in England, it also contains some legislation that applies to both England and Wales. The NHS (Wales) Act 2006 and the NHS Act 2006 are a consolidation of the NHS Act 1977 and other health legislation which has now been repealed. The NHS (Wales) Act 2006 contains various powers of the Welsh Ministers to make subordinate legislation and details how LHBs are governed and their functions.
- v) Under powers set out in paragraph 4 of Schedule 2 to the NHS (Wales) Act 2006, the Welsh Ministers have made **the Local Health Boards (Constitution, Membership and Procedures) (Wales) Regulations 2009 (S.I. 2009/779)** (“The Constitution Regulations”) which set out the constitution and membership arrangements of LHBs, which includes a requirement for LHBs to make SOs for the regulation of its proceedings and business including provision for the Boards suspension.
- vi) Sections 12 and 13 of the NHS (Wales) Act 2006 provide for Welsh Ministers to confer functions on LHBs and to give directions about how they exercise those functions. LHBs must act in accordance with those directions. Most of the LHB’s statutory functions are set out in the **Local Health Boards (Directed Functions) (Wales) Regulations 2009 (S.I. 2009/1511)**.
- vii) **The National Health Service Joint Commissioning Committee (Wales) Directions 2024 (WG24-06)** provide that the seven LHBs in Wales will

establish a joint committee to exercise the functions of planning, securing and commissioning:

- (a) specialised services for –
  - (i) cancer and blood disorders,
  - (ii) cardiac conditions,
  - (iii) mental health and vulnerable groups,
  - (iv) neurosciences, and
  - (v) women and children,
- (b) services where there is agreement between the Local Health Boards that they should be arranged on a regional and national basis,
- (c) emergency medical services,
- (d) non-emergency patient transport services,
- (e) emergency medical retrieval and transfer services,
- (f) NHS 111 services,
- (g) sexual assault referral centres, and
- (h) other services as directed by the Welsh Ministers.

Under powers set out in paragraph 4 of Schedule 2 to the NHS (Wales) Act 2006, the Welsh Ministers have made the **National Health Service Wales Joint Commissioning Committee (Wales) Regulations 2024 (2024 No. 135 (W29))**, which make provision for the constitution and membership of the Joint Commissioning Committee, including its procedures and administrative arrangements.

viii) In addition to directions the Welsh Ministers may from time to time issue guidance which LHBs must take into account when exercising any function. However in some cases the relevant function may be contained in other legislation. In exercising their powers LHBs must be clear about the statutory basis for exercising such powers.

ix) As a statutory body, the LHB has specified powers to contract in its own name and to act as a corporate trustee. The LHB also has statutory powers under sections 194 and 195 of the NHS (Wales) Act 2006 to fund projects jointly planned with local authorities, voluntary organisations and other bodies.

x) The **National Health Service Bodies and Local Authorities Partnership Arrangements (Wales) Regulations 2000 (S.I. 2000/2993)** have effect as made under section 33 of the NHS (Wales) Act 2006 enable LHBs, NHS Trusts and Local Authorities to enter into any partnership arrangements to exercise certain NHS functions and health-related functions as specified in the Regulations. The arrangement can only be made if it is likely to lead to an improvement in the way in which NHS functions and health-related functions are exercised, and the partners have consulted jointly with all affected parties, and the arrangements fulfil the objectives set out in the Area Plan developed in accordance with the **Social Services and Well-being (Wales) Act 2014 (2014)**.

xi) Section 72 of the NHS Act 2006 places a duty on NHS bodies to co-operate with each other in exercising their functions. NHS bodies includes the NHS bodies in England such as the NHS Commissioning Board, NHS Trust and NHS Foundation Trusts and, for the purpose of this duty, also includes bodies such as

NICE, the Health and Social Care Information Centre and Health Education England.

xii) Section 82 of the NHS Act 2006 places a duty on NHS bodies and local authorities to co-operate with one another in order to secure and advance the health and welfare of the people of England and Wales.

xiii) Further duties and powers placed on health boards in relation to co-operation and partnership with local authorities and other partners in Wales are set out in the **Social Services and Well-being (Wales) Act 2014**. This Act establishes the legal framework for meeting people's needs for care and support and imposes general and strategic duties on local authorities and LHBs in order to effectively plan and provide a sufficient range and level of care and support services. The **Partnership Arrangements (Wales) Regulations 2015 (2015/1989)**, made under Part 9 of the **Social Services and Well-being (Wales) Act 2014** set out the arrangements made and provides for LHBs and local authorities to pool funds for the purpose of providing specified services.

Guidance on the provisions of Part 9 can be found at

<https://gov.wales/sites/default/files/publications/2020-02/part-9-statutory-guidance-partnership-arrangements.pdf>

xiv) The **Well-being of Future Generations (Wales) Act 2015** also places duties on LHBs and some Trusts in Wales. Sustainable development in the context of the Act means the process of improving economic, social, environmental and cultural well-being of Wales by taking action, in accordance with the sustainable development principle, aimed at achieving the well-being goals.

xv) The Welsh Language (Wales) Measure 2011 makes provision with regards to the development of standards of conduct relating to the Welsh language. These standards replace the requirement for a Welsh Language Scheme previously provided for by Section 5 of the Welsh Language Act 1993. The Welsh Language Standards (No.7) Regulations 2018 (2018/411) came into force on the 29 June 2018 and specifies standards in relation to the conduct of Local Health Boards. The Local Health Board will ensure that it has arrangements in place to meet those standards which the Welsh Language Commissioner has required by way of a compliance notice under section 44 of the 2011 Measure.

xvi) LHBs are also bound by any other statutes and legal provisions which govern the way they do business. The powers of LHBs established under statute shall be exercised by LHBs meeting in public session, except as otherwise provided by these SOs.

## **NHS Framework**

xvii) In addition to the statutory requirements set out above, LHBs must carry out all business in a manner that enables them to contribute fully to the achievement of the Welsh Government's vision for the NHS in Wales and its standards for public service delivery. The governance standards set for the NHS in Wales are

based upon the Welsh Government's Citizen Centred Governance principles. These principles provide the framework for good governance and embody the values and standards of behaviour that are expected at all levels of the service, locally and nationally.

xviii) Adoption of the principles will better equip LHBs to take a balanced, holistic view of their organisations and their capacity to deliver high quality, safe healthcare services for all its citizens within the NHS framework set nationally.

xix) The overarching NHS governance and accountability framework incorporates these SOs; the Schedules of Reservation and Delegation of Powers; SFIs together with a range of other frameworks designed to cover specific aspects. These include the NHS Values and Standards of Behaviour Framework\*; the *'Doing Well, Doing Better: Standards for Health Services in Wales'* (formally the Healthcare Standards) Framework, the NHS Risk and Assurance Framework, and the NHS planning and performance management systems.

\* The NHS Wales Values and Standards of Behaviour Framework can be accessed via the following link:

<https://nwssp.nhs.wales/all-wales-programmes/governance-e-manual/living-public-service-values/values-and-standards-of-behaviour-framework/>

xx) The Welsh Ministers, reflecting their constitutional obligations and legal duties under the **Well-being of Future Generations (Wales) Act 2015**, have stated that sustainable development should be the central organising principle for the public sector and a core objective for the NHS in all it does.

xxi) Full, up to date details of the other requirements that fall within the NHS framework – as well as further information on the Welsh Government's Citizen Centred Governance principles - are provided on the NHS Wales Governance e-manual which can be accessed at <https://nwssp.nhs.wales/all-wales-programmes/governance-e-manual/>. Directions or guidance on specific aspects of LHB business are also issued electronically, usually under cover of a Welsh Health Circular.

## **Local Health Board Framework**

xxii) Schedule 2 provides details of the key documents that, together with these SOs, make up the LHB's governance and accountability framework. These documents must be read in conjunction with these SOs and will have the same effect as if the details within them were incorporated within the SOs themselves. The Standing Financial Instructions form Schedule 3 of these SOs.

xxiii) LHBs will from time to time agree and approve policy statements which apply to the LHB's Board members and/or all or specific groups of staff employed by [insert name] LHB and others. The decisions to approve these policies will be recorded in an appropriate Board minute and, where appropriate, will also be considered to be an integral part of the LHB's SOs and SFIs. Details of the LHB's key policy statements are also included in Schedule 2.

xxiv) LHBs shall ensure that an official is designated to undertake the role of the Board Secretary (the role of which is set out in paragraph xxxiii below).

xxv) For the purposes of these SOs, the members of the LHB shall collectively to be known as “the Board” or “Board members”; the officer and non-officer members shall be referred to as Executive Directors and Independent Members respectively; and the Chief Officer and the Chief Finance Officer shall respectively be known as the Chief Executive and the Director of Finance – SOs 1.1.2 refers.

### **Applying Standing Orders**

xxvi) The SOs of the LHB (together with SFIs and the Values and Standards of Behaviour Framework), will, as far as they are applicable, also apply to meetings of any formal Committees established by the LHB, including any Advisory Groups, sub-Committees, joint-Committees and joint sub-Committees. These SOs may be amended or adapted for the Committees as appropriate, with the approval of the Board. *Further details on committees may be found in Schedule 4 of these SOs and further details on joint-Committees may be found in Schedule 6.*

xxvii) Full details of any non-compliance with these SOs, including an explanation of the reasons and circumstances must be reported in the first instance to the Board Secretary, who will ask the Audit, Risk and Assurance Committee to formally consider the matter and make proposals to the Board on any action to be taken. All Board members and LHB officers have a duty to report any non-compliance to the Board Secretary as soon as they are aware of any circumstance that has not previously been reported.

**xxviii) Ultimately, failure to comply with SOs is a disciplinary matter that could result in an individual’s dismissal from employment or removal from the Board.**

### **Variation and amendment of Standing Orders**

xxix) Although these SOs are subject to regular, annual review by the LHB, there may, exceptionally, be an occasion where it is necessary to vary or amend the SOs during the year. In these circumstances, the Board Secretary shall advise the Board of the implications of any decision to vary or amend SOs, and such a decision may only be made if:

- The variation or amendment is in accordance with regulation 15 of the Constitution Regulations and does not contravene a statutory provision or direction made by the Welsh Ministers;
- The proposed variation or amendment has been considered and approved by the Audit, Risk and Assurance Committee and is the subject of a formal report to the Board; and
- A notice of motion under Standing Order 7.5.14 has been given.

## Interpretation

xxx) During any Board meeting where there is doubt as to the applicability or interpretation of the SOs, the Chair of the LHB shall have the final say, provided that his or her decision does not conflict with rights, liabilities or duties as prescribed by law. In doing so, the Chair shall take appropriate advice from the Board Secretary and, where appropriate the Chief Executive or the Director of Finance (in the case of SFIs).

xxxii) The terms and provisions contained within these SOs aim to reflect those covered within all applicable health legislation. The legislation takes precedence over these SOs when interpreting any term or provision covered by legislation.

## The role of the Board Secretary

xxxii) The role of the Board Secretary is crucial to the ongoing development and maintenance of a strong governance framework within LHBs, and is a key source of advice and support to the LHB Chair and other Board members. Independent of the Board, the Board Secretary acts as the guardian of good governance within the LHB. The Board Secretary is responsible for:

- Providing advice to the Board as a whole and to individual Board members on all aspects of governance;
- Facilitating the effective conduct of LHB business through meetings of the Board, its Advisory Groups and Committees;
- Ensuring that Board members have the right information to enable them to make informed decisions and fulfil their responsibilities in accordance with the provisions of these SOs;
- Ensuring that in all its dealings, the Board acts fairly, with integrity, and without prejudice or discrimination;
- Contributing to the development of an organisational culture that embodies NHS values and standards of behaviour; and
- Monitoring the LHB's compliance with the law, SOs and the governance and accountability framework set by the Welsh Ministers;

As advisor to the Board, the *Board Secretary's* role does not affect the specific responsibilities of Board members for governing the organisation. The Board Secretary is directly accountable for the conduct of their role to the Chair in respect of matters relating to responsibilities of the Board, its Committees and Advisory Groups, and reports on a day to day basis to the Chief Executive with regard to the wider governance of the organisation and their personal responsibilities.

xxxiii) Further details on the role of the Board Secretary within Powys Teaching LHB, including details on how to contact them, are available at the LHB's website [The Board - Powys Teaching Health Board \(nhs.wales\)](https://www.nhs.uk/healthboards/Powys-Teaching-Health-Board) .

- 1.4.4 LHBs shall issue an indemnity to any Chair and Independent Member in the following terms: “A Board [or Committee] member, who has acted honestly and in good faith, will not have to meet out of their personal resources any personal liability which is incurred in the execution of their Board function. Such cover excludes the reckless or those who have acted in bad faith”.
- 1.4.5 Associate Members, whilst not sharing corporate responsibility for the decisions of the Board, are nevertheless required to act in a corporate manner at all times, as are their fellow Board members who have voting rights.

necessary information and advice being made available to the Board to inform the debate and ultimate resolutions.

- 1.4.10 In addition to their corporate role across the breadth of the Board’s responsibilities, the Vice-Chair has a specific brief to oversee the LHB’s performance in the planning, delivery and evaluation of primary care, community health and mental health services ensuring a balanced care model to meet the needs of the population within the LHB’s area.
- 1.4.11 **Chief Executive** – The Chief Executive is responsible for the overall performance of the executive functions of the LHB. They are the appointed Accountable Officer for the LHB and shall be responsible for meeting all the responsibilities of that role, as set out in their Accountable Officer Memorandum.
- 1.4.12 **Lead roles for Board members** – The Chair will ensure that individual Board members are designated as lead roles or “champions” as required by the Welsh Ministers or as set out in any statutory or other guidance. Any such role must be clearly defined and must operate in accordance with the requirements set by the LHB, the Welsh Ministers or others. In particular, no operational responsibilities will be placed upon any Independent Member fulfilling such a role. The identification of a Board member in this way shall not make them more vulnerable to individual criticism, nor does it remove the corporate responsibility of the other Board members for that particular aspect of Board business.

## 2. RESERVATION AND DELEGATION OF LHB FUNCTIONS

- 2.0.1 Subject to any directions that may be given by the Welsh Ministers, the Board shall make arrangements for certain functions to be carried out on its behalf so that the day to day business of the LHB may be carried out effectively and in a manner that secures the achievement of its aims and objectives. In doing so, the Board must set out clearly the terms and conditions upon which any delegation is being made.
- 2.0.2 The Board’s determination of those matters that it will retain, and those that will be delegated to others shall be set out in a:
- i) Schedule of matters reserved to the Board;
  - ii) Scheme of delegation to committees and others; and
  - iii) Scheme of delegation to officers.

all of which must be formally adopted by the Board in full session and form part of these SOs.

2.0.3 Subject to Standing Order 4, the LHB retains full responsibility for any functions delegated to others to carry out on its behalf.

## **2.1 Chair's action on urgent matters**

2.1.1 There may, occasionally, be circumstances where decisions which would normally be made by the Board need to be taken between scheduled meetings, and it is not practicable to call a meeting of the Board. In these circumstances, the Chair and the Chief Executive, supported by the Board Secretary as appropriate, may deal with the matter on behalf of the Board - after first consulting with at least two other Independent Members. The Board Secretary must ensure that any such action is formally recorded and reported to the next meeting of the Board for consideration and ratification.

2.1.2 Chair's action may not be taken where either the Chair or the Chief Executive has a personal or business interest in an urgent matter requiring decision. In this circumstance, the Vice-Chair or the Executive Director acting on behalf of the Chief Executive will take a decision on the urgent matter, as appropriate.

## **2.2 Delegation of Board functions**

2.2.1 The Board may agree the delegation of any of their functions, except for those set out within the 'Schedule of Matters Reserved for the Board' within the Model Standing Orders (see paragraph 2.0.2.(i)) to Committees and others, setting any conditions and restrictions it considers necessary and following any directions or regulations given by the Welsh Ministers. These functions may be carried out:

- i) By a Committee, sub-Committee or officer of the LHB (or of another LHB or Trust); or
- ii) By another LHB; NHS Trust; Strategic Health Authority or Primary Care Trust in England; Special Health Authority; or
- iii) Jointly with one or more bodies including local authorities through a joint-Committee, sub-Committee or joint sub-Committee.

2.2.2 The Board may agree and formally approve the delegation of specific executive powers to be exercised by Committees, sub-Committees, joint-Committees or joint sub-Committees which it has formally constituted.

## **2.3 Delegation to officers**

2.3.1 The Board may delegate certain functions to the Chief Executive. For these aspects, the Chief Executive, when compiling the Scheme of Delegation to Officers, shall set out proposals for those functions they will perform personally and shall nominate other officers to undertake the remaining functions. The Chief Executive will still be accountable to the Board for all functions delegated to them irrespective of any further delegation to other officers.

2.3.2 This must be considered and approved by the Board (subject to any amendment agreed during the discussion). The Chief Executive may periodically propose amendments to the Scheme of Delegation to Officers and any such amendments must also be considered and approved by the Board.

2.3.3 Individual Executive Directors are in turn responsible for delegation within their own directorates/departments/localities in accordance with the framework established by the Chief Executive and agreed by the Board.

## **6.1 Citizen Voice Body (Llais)**

## **7. MEETINGS**

### **7.1 Putting Citizens first**

7.1.1 The LHB's business will be carried out openly and transparently in a manner that encourages the active engagement of its citizens, community partners and other stakeholders. - Active communication of forthcoming business and activities;
- The selection of accessible, suitable venues for meetings when these are not held via electronic means;
- The availability of papers in English and Welsh languages and in accessible formats, such as Braille, large print, easy read (where requested or required) and in electronic formats;
- Requesting that attendees notify the LHB of any access needs sufficiently in advance of a proposed meeting, and responding appropriately, e.g., arranging British Sign Language (BSL) interpretation at meetings; and
- Where appropriate, ensuring suitable translation arrangements are in place to enable the conduct of meetings in either English or Welsh,

in accordance with legislative requirements, e.g., Disability Discrimination Act, as well as its Communication Strategy and provisions made in response to the compliance notice issued by the Welsh Language Commissioner under section 44 of the Welsh Language (Wales) Measure 2011 .

7.1.2 The Chair will ensure that, in determining the matters to be considered by the Board, full account is taken of the views and interests of the communities served by the LHB, including any views expressed formally to the LHB, e.g., through the Llais.

### **7.2 Annual Plan of Board Business**

7.2.1 The Board Secretary, on behalf of the Chair, shall produce an Annual Plan of Board business. This plan will include proposals on meeting dates, venues and coverage of business activity during the year, taking account that ordinary meetings of the Board will be held at regular intervals and as a minimum six times a year. The Plan shall also set out any standing items that will appear on every Board agenda.

7.2.2 The plan shall set out the arrangements in place to enable the LHB to meet its obligations to its citizens as outlined in paragraph 6.1.1 whilst also allowing Board members to contribute in either English or Welsh languages, where appropriate.

7.2.3 The plan shall also incorporate formal Board meetings, regular Board Development sessions and, where appropriate, the planned activities of the Board's Committees and Advisory Groups.

7.2.4 The Board shall agree the plan for the forthcoming year by the end of March, and this plan will be published on the organisations website.

#### Annual General Meeting (AGM)

7.2.5 The LHB must hold an AGM in public no later than the 31 July each year. At least 10 calendar days prior to the meeting a public notice of the intention to hold the meeting, the time and place of the meeting, and the agenda, shall be displayed bilingually (in English and Welsh) on the LHB's website.

The notice shall state that:

- Electronic or paper copies of the Annual Report and Accounts of the LHB are available, on request, prior to the meeting; and
- State how copies can be obtained, in what language and in what format, e.g. as Braille, large print, easy read etc.

7.2.6 A record of the meeting shall be submitted to the next ordinary meeting of the Board for agreement.

### **7.3 Calling Meetings**

7.3.1 In addition to the planned meetings agreed by the Board, the Chair may call a meeting of the Board at any time. Individual Board members may also request that the Chair call a meeting provided that at least one third of the whole number of Board members, support such a request.

7.3.2 If the Chair does not call a meeting within seven days after receiving such a request from Board members, then those Board members may themselves call a meeting.

### **7.4 Preparing for Meetings**

#### Setting the agenda

7.4.1 The Chair, in consultation with the Chief Executive and Board Secretary, will set the Agenda. In doing so, they will take account of the planned activity set in the annual cycle of Board business; any standing items agreed by the Board; any applicable items received from the Board's

Committees and Advisory Groups; and the priorities facing the LHB. The Chair must ensure that all relevant matters are brought before the Board on a timely basis.

- 7.4.2 Any Board member may request that a matter is placed on the Agenda by writing to the Chair, copied to the Board Secretary, at least 12 calendar days before the meeting. The request must set out whether the item of business is proposed to be transacted in public and shall include appropriate supporting information. The Chair may, at their discretion, include items on the agenda that have been requested after the 12 day notice period if this would be beneficial to the conduct of board business.
- 7.4.3 The Agenda may include 'Consent' items. These are items which do not require discussion or debate either because they are routine, or have already been unanimously agreed. A Consent agenda allows the Board to approve all these items together without discussion which can free up the meeting for more substantial discussion. When using a Consent Agenda the Chair will invite members to request a discussion on any item on the Consent Agenda. If a request is made this item will move onto the Main Agenda for discussion.

#### Notifying and equipping Board members

- 7.4.4 Board members shall be sent an Agenda and a complete set of supporting papers at least 7 calendar days before a formal Board meeting. This information may be provided to Board members electronically or in paper form, in an accessible format, to the address provided, and in accordance with their stated preference. Supporting papers may, exceptionally, be provided, after this time provided that the Chair is satisfied that the Board's ability to consider the issues contained within the paper would not be impaired.
- 7.4.5 No papers will be included for consideration and decision by the Board unless the Chair is satisfied (subject to advice from the Board Secretary, as appropriate) that the information contained within it is sufficient to enable the Board to take a reasonable decision. This will include evidence that appropriate impact assessments have been undertaken and taken into consideration. Impact assessments shall be undertaken on all new or revised policies, strategies, guidance and or practice to be considered by the Board, and the outcome of that assessment shall accompany the report to the Board to enable the Board to make an informed decision.
- 7.4.6 In the event that at least half of the Board members do not receive the Agenda and papers for the meeting as set out above, the Chair must consider whether or not the Board would still be capable of fulfilling its role and meeting its responsibilities through the conduct of the meeting. Where the Chair determines that the meeting should go ahead, their decision, and the reason for it, shall be recorded in the minutes.

- 7.4.7 In the case of a meeting called by Board members, notice of that meeting

must be signed by those members and the business conducted will be limited to that set out in the notice.

#### Notifying the public and others

7.4.8 Except for meetings called in accordance with Standing Order 7.3, at least 10 calendar days before each meeting of the Board a public notice of the time and place of the meeting, and the public part of the agenda, shall be displayed bilingually (in English and Welsh):

- On the LHB's website, together with the papers supporting the public part of the Agenda; as well as
- Through other methods of communication as set out in the LHB's communication strategy.

7.4.9 When providing notification of the forthcoming meeting, the LHB shall set out when and how the Agenda and the papers supporting the public part of the Agenda may be accessed, in what language and in what format, e.g., as Braille, large print, easy read, etc.

### **7.5 Conducting Board Meetings**

#### Admission of the public, the press and other observers

7.5.1 The LHB shall encourage attendance at its formal Board meetings by the public and members of the press as well as LHB officers or representatives from organisations who have an interest in LHB business. The venue for such meetings shall be appropriate to facilitate easy access for attendees and translation services; and shall have appropriate facilities to maximise accessibility.

7.5.2 The Board and its committees shall conduct as much of its formal business in public as possible. There may be circumstances where it would not be in the public interest to discuss a matter in public, e.g., business that relates to a confidential matter. In such cases the Chair (advised by the Board Secretary where appropriate) shall schedule these issues accordingly and require that any observers withdraw from the meeting. In doing so, the Board shall resolve:

*That representatives of the press and other members of the public be excluded from the remainder of this meeting having regard to the confidential nature of the business to be transacted, publicity on which would be prejudicial to the public interest in accordance with Section 1(2) Public Bodies (Admission to Meetings) Act 1960 (c.67).*

7.5.3 In these circumstances, when the Board is not meeting in public session it shall operate in private session, formally reporting any decisions taken to the next meeting of the Board in public session. Wherever possible, that reporting shall take place at the end of a private session, by reconvening a Board meeting held in public session.

- 7.5.4 The Board Secretary, on behalf of the Chair, shall keep under review the nature and volume of business conducted in private session to ensure such arrangements are adopted only when absolutely necessary.
- 7.5.5 In encouraging entry to formal Board Meetings from members of the public and others, the Board shall make clear that attendees are welcomed as observers. The Chair shall take all necessary steps to ensure that the Board's business is conducted without interruption and disruption. In exceptional circumstances, this may include a requirement that observers leave the meeting.
- 7.5.6 Unless the Board has given prior and specific agreement, members of the public or other observers will not be allowed to record proceedings in any way other than in writing.

*Addressing the Board, its Committees and Advisory Groups*

- 7.5.7 The Board will decide what arrangements and terms and conditions it feels are appropriate in extending an invitation to observers to attend and address any meetings of the Board, its Committees and Advisory Groups, and may change, alter or vary these terms and conditions as it considers appropriate. In doing so, the Board will take account of its responsibility to actively encourage the engagement and, where appropriate, involvement of citizens and stakeholders in the work of the LHB, (whether directly or through the activities of bodies such as Llais and the LHB's Advisory Groups representing citizens and other stakeholders) and to demonstrate openness and transparency in the conduct of business.

*Chairing Board Meetings*

- 7.5.8 The Chair of the LHB will preside at any meeting of the Board unless they are absent for any reason (including any temporary absence or disqualification from participation on the grounds of a conflict of interest). In these circumstances the Vice Chair shall preside. If both the Chair and vice-chair are absent or disqualified, the Independent Members present shall elect one of the Independent Members to preside.
- 7.5.9 The Chair must ensure that the meeting is handled in a manner that enables the Board to reach effective decisions on the matters before it. This includes ensuring that Board members' contributions are timely and relevant and move business along at an appropriate pace. In doing so, the Board must have access to appropriate advice on the conduct of the meeting through the attendance of the nominated Board Secretary. The Chair has the final say on any matter relating to the conduct of Board business.

*Quorum*

- 7.5.10 At least six Board members, at least three of whom are Executive

Directors and three are Independent Members, must be present to allow any formal business to take place at a Board meeting.

7.5.11 If the Chief Executive or an Executive Director is unable to attend a Board meeting, then a nominated deputy may attend in their absence and may participate in the meeting, provided that the Chair has agreed the nomination before the meeting. However, Board members' voting rights cannot be delegated so the nominated deputy may not vote or be counted towards the quorum. If a deputy is already a Board member in their own right, e.g., a person deputising for the Chief Executive will usually be an Executive Director, they will be able to exercise their own vote in the usual way but they will not have any additional voting rights.

7.5.12 The quorum must be maintained during a meeting to allow formal business to be conducted, i.e., any decisions to be made. Any Board member disqualified through conflict of interest from participating in the discussion on any matter and/or from voting on any resolution will no longer count towards the quorum. If this results in the quorum not being met that particular matter or resolution cannot be considered further at that meeting, and must be noted in the minutes.

#### Dealing with motions

7.5.13 In the normal course of Board business items included on the agenda are subject to discussion and decisions based on consensus. Considering a motion is therefore not a routine matter and may be regarded as exceptional, e.g. where an aspect of service delivery is a cause for particular concern, a Board member may put forward a motion proposing that a formal review of that service area is undertaken by a Committee of the Board. The Board Secretary will advise the Chair on the formal process for dealing with motions. No motion or amendment to a motion will be considered by the Board unless moved by a Board member and seconded by another Board member (including the Chair).

7.5.14 **Proposing a formal notice of motion** – Any Board member wishing to propose a motion must notify the Chair in writing of the proposed motion at least 12 days before a planned meeting. Exceptionally, an emergency motion may be proposed up to one hour before the fixed start of the meeting, provided that the reasons for the urgency are clearly set out. Where sufficient notice has been provided, and the Chair has determined that the proposed motion is relevant to the Board's business, the matter shall be included on the Agenda, or, where an emergency motion has been proposed, the Chair shall declare the motion at the start of the meeting as an additional item to be included on the agenda.

7.5.15 The Chair also has the discretion to accept a motion proposed during a meeting provided that the matter is considered of sufficient importance and its inclusion would not adversely affect the conduct of Board business.

7.5.16 **Amendments** - Any Board member may propose an amendment to the

motion at any time before or during a meeting and this proposal must be considered by the Board alongside the motion.

7.5.17 If there are a number of proposed amendments to the motion, each amendment will be considered in turn, and if passed, the amended motion becomes the basis on which the further amendments are considered, i.e., the substantive motion.

7.5.18 **Motions under discussion** – When a motion is under discussion, any Board member may propose that:

- The motion be amended;
- The meeting should be adjourned;
- The discussion should be adjourned and the meeting proceed to the next item of business;
- A Board member may not be heard further;
- The Board decides upon the motion before them;
- An ad hoc Committee should be appointed to deal with a specific item of business; or
- The public, including the press, should be excluded.

7.5.19 **Rights of reply to motions** – The mover of a motion (including an amendment) shall have a right of reply at the close of any debate on the motion or the amendment immediately prior to a vote on the proposal.

7.5.20 **Withdrawal of motion or amendments** – A motion or an amendment to a motion, once moved and seconded, may be withdrawn by the proposer with the agreement of the seconder and the Chair.

7.5.21 **Motion to rescind a resolution** – The Board may not consider a motion to amend or rescind any resolution (or the general substance of any resolution) which has been passed within the preceding six months unless the motion is supported by the (simple) majority of Board members.

7.5.22 A motion that has been decided upon by the Board cannot be proposed again within six months except by the Chair, unless the motion relates to the receipt of a report or the recommendations of a Committee/Chief Executive to which a matter has been referred.

### Voting

7.5.23 The Chair will determine whether Board members' decisions should be expressed orally, through a show of hands, by secret ballot or by recorded vote. The Chair must require a secret ballot or recorded vote if the majority of voting Board members request it. Where voting on any question is conducted, a record of the vote shall be maintained. In the case of a secret ballot the decision shall record the number voting for, against or abstaining. Where a recorded vote has been used the Minutes shall record the name of the individual and the way in which they voted. Associate Members may not vote in any meetings or proceedings of the

Board.

7.5.24 In determining every question at a meeting the Board members must take account, where relevant, of the views expressed and representations made by individuals or organisations who represent the interests of the community and healthcare professionals within the LHB's area. Such views will usually be presented to the Board through the Chairs of the LHB's Advisory Groups and the Llais representative(s).

7.5.25 The Board will make decisions based on a simple majority view held by the Board members present. In the event of a split decision, i.e., no majority view being expressed, the Chair shall have a second and casting vote.

7.5.26 In no circumstances may an absent Board member or nominated deputy vote by proxy. Absence is defined as being absent at the time of the vote.

## **7.6 Record of Proceedings**

7.6.1 A record of the proceedings of formal Board meetings (and any other meetings of the board where the Board members determine) shall be drawn up as 'minutes'. These minutes shall include a record of Board member attendance (including the Chair) together with apologies for absence, and shall be submitted for agreement at the next meeting of the Board, where any discussion shall be limited to matters of accuracy. Any agreed amendment to the minutes must be formally recorded.

7.6.2 Agreed minutes shall be circulated in accordance with Board members' wishes, and, where providing a record of a formal Board meeting shall be made available to the public both on the LHB's website and in hard copy or other accessible format on request, in accordance with any legislative requirements, e.g., Data Protection Act 2018, the General Data Protection Regulation 2018, and the LHB's Communication Strategy and Welsh language requirements.

## **7.7 Confidentiality**

7.7.1 All Board members (including Associate Members), together with members of any Committee or Advisory Group established by or on behalf of the Board and LHB officials must respect the confidentiality of all matters considered by the LHB in private session or set out in documents which are not publicly available. Disclosure of any such matters may only be made with the express permission of the Chair of the Board or relevant Committee, as appropriate, and in accordance with any other requirements set out elsewhere, e.g., in contracts of employment, within the Values and Standards of Behaviour framework, or legislation such as the Freedom of Information Act 2000, etc.

## 8. VALUES AND STANDARDS OF BEHAVIOUR

8.0.1 The Board must adopt a set of values and standards of behaviour for the LHB that meets the requirements of the NHS Wales Values and Standards of Behaviour framework. These values and standards of behaviour will apply to all those conducting business by or on behalf of the LHB, including Board members, LHB officers and others, as appropriate. The framework adopted by the Board will form part of these SOs.

### 8.1 Declaring and recording Board members' interests

8.1.1 **Declaration of interests** – It is a requirement that all Board members must declare any personal or business interests they may have which may affect, or be perceived to affect the conduct of their role as a Board member. This includes any interests that may influence or be perceived to influence their judgement in the course of conducting the Board's business. Board members must be familiar with the Values and Standards of Behaviour Framework, and their statutory duties under the Constitution Regulations. Board members must notify the Chair and Board Secretary of any such interests at the time of their appointment, and any further interests as they arise throughout their tenure as Board members.

8.1.2 Board members must also declare any interests held by family members or persons or bodies with which they are connected. The Board Secretary will provide advice to the Chair and the Board on what should be considered as an 'interest', taking account of the regulatory requirements and any further guidance, e.g., the Values and Standards of Behaviour framework. If individual Board members are in any doubt about what may be considered as an interest, they should seek advice from the Board Secretary. However, the onus regarding declaration will reside with the individual Board member.

8.1.3 **Register of interests** – The Chief Executive, through the Board Secretary will ensure that a Register of Interests is established and maintained as a formal record of interests declared by all Board members. The register will include details of all Directorships and other relevant and material interests which have been declared by Board members.

8.1.4 The register will be held by the Board Secretary, and will be updated during the year, as appropriate, to record any new interests, or changes to the interests declared by Board members. The Board Secretary will also arrange an annual review of the Register, through which Board members will be required to confirm the accuracy and completeness of the register relating to their own interests.

8.1.5 In line with the Board's commitment to openness and transparency, the Board Secretary must take reasonable steps to ensure that the citizens served by the LHB are made aware of, and have access to view the LHB's Register of Interests. This may include publication on the LHB's website.

8.1.6 **Publication of declared interests in Annual Report** – Board members' directorships of companies or positions in other organisations likely or possibly seeking to do business with the NHS shall be published in the LHB's Annual Report.

## 8.2 Dealing with Members' interests during Board meetings

8.2.1 The Chair, advised by the Board Secretary, must ensure that the Board's decisions on all matters brought before it are taken in an open, balanced, objective and unbiased manner. In turn, individual Board members must demonstrate, through their actions, that their contribution to the Board's decision making is based upon the best interests of the LHB and the NHS in Wales.

8.2.2 Where individual Board members identify an interest in relation to any aspect of Board business set out in the Board's meeting agenda, that member must declare an interest at the start of the Board meeting. Board members should seek advice from the Chair, through the Board Secretary before the start of the Board meeting if they are in any doubt as to whether they should declare an interest at the meeting. All declarations of interest made at a meeting must be recorded in the Board minutes.

8.2.3 It is the responsibility of the Chair, on behalf of the Board, to determine the action to be taken in response to a declaration of interest, taking account of any regulatory requirements or directions made by the Welsh Ministers. The range of possible actions may include determination that:

- i) The declaration is formally noted and recorded, but that the Board member should participate fully in the Board's discussion and decision, including voting. This may be appropriate, for example where the Board is considering matters of strategy relating to a particular aspect of healthcare and an Independent Member is a healthcare professional whose profession may be affected by that strategy determined by the Board;
- ii) The declaration is formally noted and recorded, and the Board member participates fully in the Board's discussion, but takes no part in the Board's decision;
- iii) The declaration is formally noted and recorded, and the Board member takes no part in the Board discussion or decision;
- iv) The declaration is formally noted and recorded, and the Board member is excluded for that part of the meeting when the matter is being discussed. A Board member must be excluded, where that member has a direct or indirect financial interest in a matter being considered by the Board.

8.2.4 In extreme cases, it may be necessary for the member to reflect on whether their position as a Board member is compatible with an identified conflict of interest.

8.2.5 Where the Chair is the individual declaring an interest, any decision on the

action to be taken shall be made by the Vice Chair, on behalf of the Board.

8.2.6 In all cases the decision of the Chair (or the Vice Chair in the case of an interest declared by the Chair) is binding on all Board members. The Chair should take advice from the Board Secretary when determining the action to take in response to declared interests; taking care to ensure their exercise of judgement is consistently applied.

8.2.7 **Members with pecuniary (financial) interests** – Where a Board member, or any person they are connected with<sup>1</sup> has any direct or indirect pecuniary interest in any matter being considered by the Board, including a contract or proposed contract, that member must not take part in the consideration or discussion of that matter or vote on any question related to it. The Board may determine that the Board member concerned shall be excluded from that part of the meeting.

8.2.8 The Constitution Regulations define ‘direct’ and ‘indirect’ pecuniary interests and these definitions always apply when determining whether a member has an interest. These SOs must be interpreted in accordance with these definitions.

8.2.9 **Members with Professional Interests** - During the conduct of a Board meeting, an individual Board member may establish a clear conflict of interest between their role as a LHB Board member and that of their professional role outside of the Board. In any such circumstance, the Board shall take action that is proportionate to the nature of the conflict, taking account of the advice provided by the Board Secretary.

### **8.3 Dealing with officers’ interests**

8.3.1 The Board must ensure that the Board Secretary, on behalf of the Chief Executive, establishes and maintains a system for the declaration, recording and handling of LHB officers’ interests in accordance with the Values and Standards of Behaviour Framework.

### **8.4 Reviewing how Interests are handled**

8.4.1 The Audit Committee will review and report to the Board upon the adequacy of the arrangements for declaring, registering and handling interests at least annually.

### **8.5 Dealing with offers of gifts<sup>2</sup>, hospitality and sponsorship**

---

<sup>1</sup> In the case of persons who are married to each other or in a civil partnership with each other or who are living together as if married or civil partners, the interest of one person shall, if known to the other, be deemed for the purpose of this Standing Order to be also an interest of the other.

<sup>2</sup>The term gift refers also to any reward or benefit.

- 8.5.1 The Values and Standards of Behaviour Framework approved by the Board prohibits Board members and LHB officers from receiving gifts, hospitality or benefits in kind from a third party which may reasonably give rise to suspicion of conflict between their official duty and their private interest, or may reasonably be seen to compromise their personal integrity in any way.
- 8.5.2 Gifts, benefits or hospitality must never be solicited. Any Board member or LHB officer who is offered a gift, benefit or hospitality which may or may be seen to compromise their position must refuse to accept it. This may in certain circumstances also include a gift, benefit or hospitality offered to a family member of a Board member or LHB officer. Failure to observe this requirement may result in disciplinary and/or legal action.
- 8.5.3 In determining whether any offer of a gift or hospitality should be accepted, an individual must make an active assessment of the circumstances within which the offer is being made, seeking advice from the Board Secretary as appropriate. In assessing whether an offer should be accepted, individuals must take into account:
- **Relationship:** Contacts which are made for the purpose of information gathering are generally less likely to cause problems than those which could result in a contractual relationship, in which case accepting a gift or hospitality could cause embarrassment or be seen as giving rise to an obligation;
  - **Legitimate Interest:** Regard should be paid to the reason for the contact on both sides and whether it is a contact that is likely to benefit the LHB;
  - **Value:** Gifts and benefits of a trivial or inexpensive seasonal nature, e.g., diaries/calendars, are more likely to be acceptable and can be distinguished from more substantial offers. Similarly, hospitality in the form of a working lunch would not be treated in the same way as more expensive social functions, travel or accommodation (although in some circumstances these may also be accepted);
  - **Frequency:** Acceptance of frequent or regular invitations particularly from the same source would breach the required standards of conduct. Isolated acceptance of, for example, meals, tickets to public, cultural or social events would only be acceptable if attendance is justifiable in that it benefits the LHB; and
  - **Reputation:** If the body concerned is known to be under investigation by or has been publicly criticised by a public body, regulators or inspectors, acceptance of a gift or hospitality might be seen as supporting the body or affecting in some way the investigation or negotiations and it should always be declined.

8.5.4 A distinction may be drawn between items offered as hospitality and items offered in substitution for fees for broadcasts, speeches, lectures or other work done. There may be circumstances where the latter may be accepted if they can be used for official purposes.

## 8.6 Sponsorship

8.6.1 In addition gifts and hospitality individuals and the organisation may also receive sponsorship. Sponsorship is an offer of funding to an individual, department or the organisation as a whole from an external source whether in cash, goods, services or benefits. It could include an offer to sponsor a research or operational post, training, attendance at a conference, costs associated with meetings, conferences or a working visit. The sponsorship may cover some or all of the costs.

8.6.2 All sponsorship must be approved prior to acceptance in accordance with the **Values and Standards of Behaviour Framework** and relevant procedures. A record of all sponsorship accepted or declined will also be maintained.

## 8.7 Register of Gifts, Hospitality and Sponsorship

8.7.1 The Board Secretary, on behalf of the Chair, will maintain a register of Gifts, Hospitality and Sponsorship to record offers of gifts, hospitality and sponsorship made to Board members. Executive Directors will adopt a similar mechanism in relation to LHB officers working within their Directorates.

8.7.2 Every Board member and LHB officer has a personal responsibility to volunteer information in relation to offers of gifts, hospitality and sponsorship, including those offers that have been refused. The Board Secretary, on behalf of the Chair and Chief Executive, will ensure the incidence and patterns of offers and receipt of gifts, hospitality and sponsorship are kept under active review, taking appropriate action where necessary.

8.7.3 When determining what should be included in the Register with regard to gifts and hospitality, individuals shall apply the following principles, subject to the considerations in Standing Order 8.5.3:

- **Gifts:** Generally, only gifts of material value should be recorded. Those with a nominal value, e.g., seasonal items such as diaries/calendars would not usually need to be recorded.
- **Hospitality:** Only significant hospitality offered or received should

be recorded. Occasional offers of 'modest and proportionate'<sup>3</sup> hospitality need not be included in the Register.

8.7.4 Board members and LHB officers may accept the occasional offer of modest and proportionate hospitality but in doing so must consider whether the following conditions are met:

- Acceptance would further the aims of the LHB ;
- The level of hospitality is reasonable in the circumstances;
- It has been openly offered; and,
- It could not be construed as any form of inducement and will not put the individual under any obligation to those offering it.

8.7.5 The Board Secretary will arrange for a full report of all offers of Gifts, Hospitality and Sponsorship recorded by the LHB to be submitted to the Audit Committee (or equivalent) at least annually. The Audit Committee will then review and report to the Board upon the adequacy of the LHB's arrangements for dealing with offers of gifts, hospitality and sponsorship.

## **9. SIGNING AND SEALING DOCUMENTS**

9.0.1 The common seal of the LHB is primarily used to seal legal documents such as transfers of land, lease agreements and other important/key contracts. The seal may only be fixed to a document if the Board has determined it shall be sealed, or if a transaction to which the document relates has been approved by the Board.

9.0.2 Where it is decided that a document shall be sealed it shall be fixed in the presence of the Chair or Vice Chair (or other authorised independent Member) and the Chief Executive (or another authorised individual) both of whom must witness the seal.

### **9.1. Register of Sealing**

9.1.1 The Board Secretary shall keep a register that records the sealing of every document. Each entry must be signed by the persons who approved and authorised the document and who witnessed the seal. A report of all sealings shall be presented to the Board at least bi-annually.

### **9.2 Signature of Documents**

9.2.1 Where a signature is required for any document connected with legal proceedings involving the LHB, it shall be signed by the Chief Executive, except where the Board has authorised another person or has been

---

<sup>3</sup> Examples of 'modest and proportionate' hospitality that need not be included in a Hospitality register include a working sandwich lunch or a buffet lunch incidental to a conference or seminar attended by a variety of participants.

otherwise directed to allow or require another person to provide a signature.

- 9.2.2 The Chief Executive or nominated officers may be authorised by the Board to sign on behalf of the LHB any agreement or other document (not required to be executed as a deed) where the subject matter has been approved either by the Board or a Committee to which the Board has delegated appropriate authority.

### **9.3 Custody of Seal**

- 9.3.1 The Common Seal of the LHB shall be kept securely by the Board Secretary.

## **10. GAINING ASSURANCE ON THE CONDUCT OF LHB BUSINESS**

- 10.0.1 The Board shall set out explicitly, within a Risk and Assurance Framework, how it will be assured on the conduct of LHB business, its governance and the effective management of the organisation's risks in pursuance of its aims and objectives. It shall set out clearly the various sources of assurance, and where and when that assurance will be provided, in accordance with any requirements determined by the Welsh Ministers.
- 10.0.2 The Board shall ensure that its assurance arrangements are operating effectively, advised by its Audit Committee (or equivalent).
- 10.0.3 Assurances in respect of the services provided by the NHS Wales Shared Services Partnership shall primarily be achieved by the reports of the Director of Shared Services to the Shared Services Partnership Committee, and reported back by the Chief Executive (or their nominated representative). Where appropriate, and by exception, the Board may seek assurances direct from the Director of Shared Services. The Director of Shared Services and the Shared Services Partnership Committee shall be under an obligation to comply with any internal or external audit functions being undertaken by or on behalf of the LHB.
- 10.0.4 . Assurances in respect of the functions discharged by the National Health Services Wales Joint Commissioning Committee (the JCC) shall achieved by the reports of the JCC Chair, and reported back by the Chief Executive. Reference should be made to paragraph 3.2 above regarding the governance arrangements which should be agreed for each of the Joint Committees.
- 10.0.5 Arrangements for seeking and providing assurance in respect of any other services provided on behalf of or in association with the LHB shall be clearly identified and reflected within the practice of the organisation and within the relevant agreements.

## **10.1 The role of Internal Audit in providing independent internal assurance**

10.1.1 The Board shall ensure the effective provision of an independent internal audit function as a key source of its internal assurance arrangements, in accordance with NHS Wales Internal Auditing Standards and any other requirements determined by the Welsh Ministers.

10.1.2 The Board shall set out the relationship between the Head of Internal Audit (HIA), the Audit Committee (or equivalent) and the Board. It shall:

- Approve the Internal Audit Charter (incorporating the definition of internal audit) and adopt the Internal Auditing Standards (incorporating the code of ethics);
- Ensure the HIA communicates and interacts directly with the Board, facilitating direct and unrestricted access;
- Require Internal Audit to confirm its independence annually; and
- Ensure that the Head of Internal Audit reports periodically to the Board on its activities, including its purpose, authority, responsibility and performance. Such reporting will include governance issues and significant risk exposures.

## **10.2 Reviewing the performance of the Board, its Committees and Advisory Groups**

10.2.1 The Board shall introduce a process of regular and rigorous self-assessment and evaluation of its own operations and performance and that of its Committees and Advisory Groups. Where appropriate, the Board may determine that such evaluation may be independently facilitated.

10.2.2 Each Committee and, where appropriate, Advisory Group must also submit an annual report to the Board through the Chair within 6 weeks of the end of the reporting year setting out its activities during the year and including the review of its performance and that of any sub-Committees it has established.

10.2.3 The Board shall use the information from this evaluation activity to inform:

- The ongoing development of its governance arrangements, including its structures and processes;
- Its Board Development Programme, as part of an overall Organisation Development framework; and
- The Board's report of its alignment with the Welsh Government's Citizen Centred Governance Principles.

## **10.3 External Assurance**

10.3.1 The Board shall ensure it develops effective working arrangements and relationships with those bodies that have a role in providing independent, external assurance to the public and others on the LHB's operations, e.g., the Auditor General for Wales and Healthcare Inspectorate Wales.

10.3.2 The Board may be assured, from the work carried out by external audit and others, on the adequacy of its own assurance framework, but that external assurance activity shall not form part of, or replace its own internal assurance arrangements, except in relation to any additional work that the Board itself may commission specifically for that purpose.

10.3.3 The Board shall keep under review and ensure that, where appropriate, the LHB implements any recommendations relevant to its business made by the Welsh Government's Audit Committee, the Senedd Cymru/Welsh Parliament's Public Accounts Committee and other appropriate bodies.

10.3.4 The LHB shall provide the Auditor General for Wales with any assistance, information and explanation which the Auditor General thinks necessary for the discharge of their statutory powers and responsibilities.

## **11. DEMONSTRATING ACCOUNTABILITY**

11.0.1 Taking account of the arrangements set out within these SOs, the Board shall demonstrate to the communities it serves and to the Welsh Ministers a clear framework of accountability within which it:

- Conducts its business internally;
- Works collaboratively with NHS colleagues, partners, service providers and others; and
- Responds to the views and representations made by those who represent the interests of the communities it serves and other stakeholders, including its officers and healthcare professionals.

11.0.2 The Board shall, in publishing its strategic and operational level plans, set out how those plans have been developed taking account of the views of others, and how they will be delivered by working with their community and other partners.

11.0.3 The Board shall also facilitate effective scrutiny of the LHB's operations through the publication of regular reports on activity and performance, including publication of an Annual Report.

11.0.4 The Board shall ensure that within the LHB, individuals at all levels are supported in their roles, and held to account for their personal performance through effective performance management arrangements.

## **12. REVIEW OF STANDING ORDERS**

12.0.1 *[The Board Secretary shall arrange for an appropriate impact assessments to be carried out on a draft of these SOs prior to their formal adoption by the Board, the results of which shall be presented to the Board for consideration and action, as appropriate. The fact that an assessment has*

*been carried out shall be noted in the SOs.]*

12.0.2 These SOs shall be reviewed annually by the Audit, Risk and Assurance Committee, which shall report any proposed amendments to the Board for consideration. The requirement for review extends to all documents having the effect as if incorporated in SOs, including the appropriate impact assessments.
