

Questions to Board 30 September 2026

Question 1: Item 8.3 is listed for approval of the consultation document in private session. Will the version the Board approves be published in full at launch in the week beginning 5 October? And will the outcome of the "final readiness checks" with HICO and ORS described in item 3.1 be published in writing, rather than given only as an oral update?

Response: The record of the discussion will be recorded in the minutes, and the full consultation document is intended for future publication on 5 October 2026. Further information about how this question was addressed within the meeting can be found within the minutes and/or the recording of the meeting of the Board.
