Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 8 August 2023, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does hold the information that you require.

For ease of reference your request is set out below and our response follows:

Your Freedom of Information (FOI) Request:

The person who holds the job title or responsibility for the following within The Health Board:

1. Head / Lead Foetal Surveillance Midwife
2. Head Practice Development Midwife
3. Midwifery Clinical Skills Facilitators
4. Lead Midwife for Continuous Development

Powys Response:

1. Foetal surveillance currently falls within the consultant midwife and clinical supervisor for midwives/practice facilitator role.
2. Practice development currently falls within the consultant midwife and clinical supervisor for midwives/practice facilitator role.
3. We don't have clinical skills facilitators – pre-reg facilitation is supported by the practice education facilitator role and post-reg falls within clinical supervisor for midwives/practice facilitator role.
4. We don't have a lead midwife for continuous development – this would be covered by consultant midwife and clinical supervisor for midwives/practice facilitator role.
