Dear [REDACTED]

### Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 22 August 2023 and subsequent clarification received on 1 September 2023, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does hold the information that you require.

For ease of reference your request is set out below and our response follows:

#### Your Freedom of Information (FOI) Request:

Please could you provide the following information; The number of beds at each hospital location within your organisation.

#### Clarification Request:

Please can you confirm does this mean inpatient beds in birth centre or any beds in the unit, which could be used for antenatal checks for example?

#### Clarification Response:

In clarification, I am referring to any beds that can be used in a inpatient setting.

#### Powys Response:

Please see the table below for the number of inpatient hospital beds:

Maternity: Please note that the maternity service does not staff the maternity units – it is a community model of care that opens a birthing unit for a woman in labour and who subsequently requires an inpatient stay for a short period of time afterwards. In addition, these beds are used for outpatient appointments.

Should you need any further assistance, please do not hesitate to contact me at the address below.
