Dear [REDACTED]

## Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 1 December 2023, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does not hold the information that you require.

For ease of reference your request is set out below and our response follows:

### Your Freedom of Information (FOI) Request:

Under the Freedom of Information Act, I would like the following information:

Please provide a list of all gender options you list on patient forms.

### Powys Response:

The Health Board does not record data in a format that enables us to retrieve information to the level required to specifically answer your question. Also, as this is not information that the Health Board routinely compiles, we would have to carry out a specific exercise to collate this data. From our preliminary assessment, we estimate that to comply with your request would exceed the appropriate costs limit under section 12 of the Freedom of Information Act 2000. This is currently £450.

We therefore consider that the exemption offered to us in Section 12 of the Freedom of Information Act 2000 relating to disproportionate cost is engaged. As you will be aware this is not an exemption which requires us to consider the application of the public interest test.

Should you need any further assistance, please do not hesitate to contact me at the address below.
