Dear [REDACTED],

## Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 06 January 2023, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does not hold the information that you require.

For ease of reference your request is set out below and our response follows:

### Your Freedom of Information (FOI) Request:

Could you confirm the number of Babies born with Neonatal Abstinence Syndrome in your health board during the financial years 2017/18; 2018/19; 2019/20; 2020/21; 2021/22; 2022/23?

### Powys Response:

I can confirm that PTHB does not hold the information to be able to answer this request as we do not provide DGH Neonatal care in Powys. Where babies are deemed to be at risk for NAS, a recommendation would be made to birth at one of our neighbouring District General Hospitals.

Should you need any further assistance, please do not hesitate to contact me at the address below.

If you are dissatisfied, with the way your request has been dealt with by PTHB, you have the right to request a review in which case you should write to:
