Dear [REDACTED],

Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 24 January 2023, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does hold the information that you require.

For ease of reference your request is set out below and our response follows:

Your Freedom of Information (FOI) Request:

I know of several practices which have stopped offering NHS services recently, and now offer/propose to offer private care only.

Do you hold figures for the number of practices in your health board area which offer NHS dentist services? And also those which have stopped doing so?

2 If those figures are available, I wonder if you'd be willing to share them with me for the past 3 financial years please?

Powys Response:

Q1-2: In the Powys Teaching Health Board area there are 18 contracted practices offering NHS services and there are another 2 practices that offer GDS services, but these are managed by the Health Board. There were another two practices that were offering NHS services at the beginning of financial year 22/23 but they terminated their contracts during the summer due to retirement.

19/20 – One contract terminated in this financial year

20/21 – None
