Dear [REDACTED],

Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 01 March 2023, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does hold the information that you require.

For ease of reference your request is set out below and our response follows:

Your Freedom of Information (FOI) Request:

I am trying to understand the level of clinical trials activity that is taking place in the UK. Specifically can you tell me how many commercial clinical trials have been taking place in this health board during the calendar year of 2022? This could be completed trials, or trials that are ongoing. When I say "commercial trials", I mean trials that are funded or sponsored by a commercial company such as a pharmaceutical company.

Powys Response:

PTHB can confirm that we have carried out no commercial clinical trials during this timescale.

Should you need any further assistance, please do not hesitate to contact me at the address below.

If you are dissatisfied, with the way your request has been dealt with by PTHB, you have the right to request a review in which case you should write to:
