Dear [REDACTED],

Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 03 March 2023, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) partly holds the information that you require.

For ease of reference your request is set out below and our response follows:

Your Freedom of Information (FOI) Request:

Giving a breakdown of each year, please can you confirm how many pregnant women since 2015 have been assessed as having:

- (a) Gestational Diabetes
- (b) Type 1 Diabetes
- (c) Type 2 Diabetes

Powys Response:

I can confirm that PTHB does not collect this data. The fields relating to diabetes within the electronic system used to records maternity data are not mandatory and therefore may not have consistently been captured. In order to answer your question this would require a manual trawl of all pregnant women's medical records for the time period requested. We estimate that the cost of complying with your request would exceed the fees limit of £450 set by the Freedom of Information Act. We estimate that one person would need to spend 3½ working days to determine whether the Health Board holds the information, and locating, retrieving and extracting the information. Under section 12 of the Freedom of Information Act the Health Board is therefore not obliged to comply with this part of your request.
