Powys Response:

PTHB can confirm that we do not centrally collect information to enable us to respond to your request as we do not code outpatient activity. In order to answer your questions would require a manual trawl of all patients' medical records for the time period requested. We estimate that the cost of complying with your request would exceed the fees limit of £450 set by the Freedom of Information Act. We estimate that one person would need to spend 3½ working days to determine whether the Health Board holds the information, and locating, retrieving, and extracting the information. Under section 12 of the Freedom of Information Act the Health Board is therefore not obliged to comply with this part of your request.

Should you need any further assistance, please do not hesitate to contact me at the address below.

If you are dissatisfied, with the way your request has been dealt with by PTHB, you have the right to request a review in which case you should write to:

Chief Executive
