Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 9 May 2023, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does not hold the information that you require.

For ease of reference your request is set out below and our response follows:

Your Freedom of Information (FOI) Request:

Are there up to date statistics showing the number of full time GPs as opposed to part time GPs working in practices in the Powys Health Board practices?

Powys Response:

The Primary Care Department is unable to access this level of detail via the Welsh National Workforce and Reporting System (WNWRS). The WNWRS is a primary care workforce tool run by NHS Wales Shared Services Partnership to collect Primary Care workforce data in Wales. NHS Wales Shared Services Partnership can access more detailed information than Health Boards and may be able to provide the information requested. You can contact NWRS via NWSSP.PrimarycareWNWRS@wales.nhs.uk. For more information, you can visit [Wales National Workforce and Reporting System \(WNWRS\) - NHS Wales Shared Services Partnership](#).

Should you need any further assistance, please do not hesitate to contact me at the address below.

If you are dissatisfied, with the way your request has been dealt with by PTHB, you have the right to request a review in which case you should write to:
