Dear [REDACTED],

Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 26 May 2023, subsequent email dated 20 June 2023 and voice message, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does hold the information that you require.

For ease of reference your request is set out below and our response follows:

Your Freedom of Information (FOI) Request:

To September 2021 BCUHB accounted for 68% of all Death and Severe harm incidents reported under NR&LS which was NHS and accessible online. Since then, the Once for Wales (OfW) system has replaced NR&LS.

Please accept this as a request under FOI for PTHB to provide the equivalent incidents under OfW as Death and Severe harm under NR&LS for Your Health Board from 1 Oct 2021 to FY end 22/23.

According to other responses received to date, the equivalent categories under OfW are patient safety incidents recorded as: severe harm catastrophic/death. If your answer is below 5, there is no need to provide the exact figure.

Powys Response:

PTHB is not able to provide the exact numbers due to the low numbers of individuals involved (5 or less). PTHB believes there is a potential risk of individuals being able to be identified, when considered with other information already available within the public domain, if this was disclosed. Therefore, the data is classed as personal data as defined under the UK General Data Protection Regulation (UK GDPR) and Data Protection Act 2018 and its disclosure would be contrary to the data protection principles and constitute unfair and unlawful processing in regard to Articles 5, 6, and 9 of UK GDPR.
