Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information, which was received on 11 April 2024, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does hold the information that you require.

For ease of reference your request is set out below and my response follows.

Your Freedom of Information (FOI) Request:

Under the Freedom of Information Act, I request copies of documentation relating to the funding of the developing dental practice at 18 Castle Street Brecon and documentation relating to the contract between Powys Health Board and the dental Practice at the above-mentioned address.

Powys Response:

Powys Teaching Health Board commissions general dental services from Castle Street Brecon via a Contract Reform contractual arrangement. This includes the close monitoring of dental access provision delivered to urgent, new, and historic patients attending the practice. Access is reconciled monthly against agreed contract metrics linked to the financial value of the contract.

The contractual agreement including financial information has been withheld as it is considered exempt under Section 43 Commercial Interests of the Freedom of Information Act. This section of the Act sets out an exemption from the right to know if releasing the information is likely to prejudice the commercial interests of any person (a person maybe an individual, company, the public authority itself or any other legal entity).

This exemption was considered by the Health Board when deciding whether to release this information because it was felt that, in doing so, it could create a

significant risk in prejudicing the commercial interests of the practice in question.

As this is a qualified exemption the Health Board must consider the public interest in deciding whether to withhold or disclose the information. The Health Board accepts that there is a public interest in ensuring openness and transparency. However, the Health Board believes that disclosure of information in a manner which fails to protect the interests and relationships arising in a commercial context could discourage third parties from dealing with the Health Board because of fears that the disclosure of information could damage them commercially. In turn, this could jeopardise the Health Board's ability to compete fairly and pursue its function to bring forward development in the area and obtain value for money. As a result, exemption section 43 is engaged as it is not considered in the public interest to disclose this information.

Under the terms of the Health Board's Freedom of Information procedure, individuals seeking access to recorded information held by the Health Board are entitled to request an internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request, please contact us directly at the address below or register your complaint via powysfoi.foi@wales.nhs.uk

If after Internal Review you remain dissatisfied you are also entitled to refer the matter to the information commissioner at the Information Commissioner's Office (Wales), 2nd Floor, Churchill House, Churchill Way, Cardiff, CF10 2HH. Telephone Number: 0330 414 6421.

Yours sincerely
