4 March 2024

Sent via email to: [REDACTED]

Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information, which was received on 12 February 2024, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) partly holds the information that you require.

For ease of reference your request is set out below and our response follows:

Your Freedom of Information (FOI) Request:

We are conducting research to determine the causes of sudden cardiac death (SCD) in patients with cardiac devices. Despite an estimated 50,000 to 70,000 annual SCD cases in the UK, post-mortem device checks are not routinely performed, leading to missed insights into the exact causes of these deaths. Our project aims to explore variations in current practices.

Therefore, we kindly are requesting information on your institution's post-mortem procedures related to patients with cardiac devices. We have attached a short questionnaire in line with the above-mentioned objectives.

Powys Response:

Please see FOI 24.R.078 Attachment 1 for Powys Teaching Health Boards response to your above request.

Under the terms of the Health Board's Freedom of Information procedure, individuals seeking access to recorded information held by the Health Board are entitled to request an internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request, please contact us directly at the address below or register your complaint via powysfoi.foi@wales.nhs.uk
