Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information, which was received on 12 February 2024, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) partly holds the information that you require.

For ease of reference your request is set out below and our response follows:

Your Freedom of Information (FOI) Request:

This email is regarding waiting times for orthopaedic elective procedures within your health board, Powys Teaching Health Board.

I would like to formally make a request, under the Freedom of Information Act 2000, for information on the number of patients currently awaiting orthopaedic elective procedures from the date of this enquiry within your health board. I would appreciate any additional breakdown of information regarding type of procedure as well as number of adults and children currently awaiting procedures, if available/applicable.

Powys Response:

I can confirm there are currently 86 adult Powys patients at stage 4 waiting for orthopaedic elective procedures within Powys Teaching health Board (PTHB) as a provider. Stage 4 is categorised as treatment stage, either as an inpatient or day case. PTHB is unable to breakdown by procedure as this data is not recorded within the Health Board until after the procedure has taken place.

PTHB also commissions orthopaedic elective procedures for the Powys population from Health Boards in Wales and NHS Trusts in England, the waiting times for these patients being recorded within the respective Health Board / NHS Trust.
