Dear [REDACTED]

## Request under the Freedom of Information Act 2000

I write further to your request for information, which was received on 19 February 2024, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does hold the information that you require.

For ease of reference your request is set out below and our response follows:

### Your Freedom of Information (FOI) Request:

Please can you Confirm How many section 28 Prevention of Future death Notices your Health Board Received 1 April 23 -31 December 23. (or as records permit, the cutoff date is simply to correspond with the reporting period indicated below so a reasonably adjacent cutoff date would suffice)

To be used as a comparator so as per note from BCUHB January Board which appear to run at 2 per calendar month. If this is a regular report to Board on sec 28 notices (or Q&S Committee) and you held a January (or Feb) Board (or Q&S Committee) then that figure would be fine.  
excerpt from BCUHB Quality Report to January 2024 Board.

Since April 2023, the Health Board has received 18 Regulation 28 Prevention of Future Death Notices. Both Senior Coroners in the region have raised a number of serious concerns. These concerns can be grouped into three clear themes: <https://bcuhb.nhs.wales/about-us/health-board-meetings-and-members/health-board-meetings/agenda-bundle-health-board-25124-v40-public-session-with-revised-ipr/>

### Powys Response:
