Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information, which was received on 18 January 2024, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) partly hold the information that you require.

For ease of reference your request is set out below and our response follows:

Your Freedom of Information (FOI) Request:

Your organisations current "Pharmacy strategy" document - This may also be titled Medicines Management Strategy, Pharmacy, Prescribing and medicines strategy or similar and should identify your organisations strategic plans to develop and evolve your hospital pharmacy to ensure safe and effective use of medicines. In England this may be incorporated within an ICS wide strategy or in Scotland/Wales it may be incorporated into a wider Health Board strategy, and, if so, please can you identify that this is the case and either share this document or (in England) identify which organisation "owns" it to allow a request to be made to that organisation.

Please feel free to forward the document or, if in the public domain, share the relevant URL for the document.

Powys Response:

I can confirm that Powys Teaching Health Board (PTHB) does not have a specific Pharmacy strategy document.

In Wales we have the national vision for 'Pharmacy: Delivering a Healthier Wales': <https://www.rpharms.com/wales/pharmacy-delivering-a-healthier-wales>
