Your Freedom of Information (FOI) Request:

I am doing a project on the Carr Hill Formula of GP practices in Wales. Could I please know:

The raw number of registered patients in Powys (within GP practices) and the number of weighted patients in Powys. (I think the raw number is around 133,000 – but I'm interested in how this compared to the weighted number which may be slightly higher)

Powys Response:

I can confirm information on the Carr Hill Formula is held with NHS Wales Shared Services Partnership (NWSSP). NWSSP operate the payment system for General Medical Services (GMS) contractors on behalf of all Welsh Health Boards. We suggest you contact them for further information. shared.service@wales.nhs.uk or nwssp-primarycareservices@wales.nhs.uk
