Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information, which was received on 26 July 2024, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does hold the information that you require.

For ease of reference your request is set out below and my response follows.

Your Freedom of Information (FOI) Request:

Under the Freedom of Information Act, I would like to know how many current job roles there are for Clinical Psychologists (split out by the banding of the job role 7-8c) and in what services/specialisms across this trust please.

As part of this, if you could clarify which positions/posts are vacant currently, and which are filled that would be great. My preference would be to include the names of the psychologists in post, but if this is too much, I am happy for this to be a filled vs. vacant breakdown.

Powys Response:

Please see FOI 24.R.297 Attachment 1 for the Health Boards response to your above request.

Under the terms of the Health Board's Freedom of Information procedure, individuals seeking access to recorded information held by the Health Board are entitled to request an internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request, please contact us directly at the address below or register your complaint via powysfoi.foi@wales.nhs.uk
