Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information, which was received on 15 March 2024, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does hold the information that you require.

For ease of reference your request is set out below and our response follows:

Your Freedom of Information (FOI) Request:

I am currently researching out-of-area (OOA) placements in mental health residential care. Specifically, I would like to know the current total of out-of-area (OOA) placements in mental health residential care for adults aged under 65 years, as of February 29th or the latest data you have available.

Mental health refers to a patient occupying a place in a residential care (i.e. care home) setting for a mental health condition such as Schizophrenia, an eating disorder, a personality disorder, or other complex mental health conditions.

To be specific, I am classifying out-of-area (OOA) placements as the total number of patients who belong to your Health Board but are currently receiving care in a residential care setting that is located in a different Health Board but are ultimately funded by your Health Board.

Powys Response:

As of 29 February 2024, I can confirm there were eight patients in out-of-area placements in mental health residential care.
