1 October 2024

Sent via email to: [REDACTED]

Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information, which was received on 16 September 2024, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does not hold the information that you require.

For ease of reference your request is set out below and my response follows.

Your Freedom of Information (FOI) Request:

I was wondering whether the trust held data on the number of claims, types of claims, costs of claims involving neurosurgical cases over the last decade.

Powys Response:

Due to the rural and sparsely populated nature of Powys, we do not have District General Hospital (DGH) services within the county. Our residents access their acute and specialist services in DGH provided by neighbouring health boards in Wales and neighbouring NHS Trusts in England. I can confirm that Powys Teaching Health Board (PTHB) does not carry out neurosurgical surgery. Therefore, this is a nil response.

Under the terms of the Health Board's Freedom of Information procedure, individuals seeking access to recorded information held by the Health Board are entitled to request an internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request, please contact us directly at the address below or register your complaint via powysfoi.foi@wales.nhs.uk

If after Internal Review you remain dissatisfied you are also entitled to refer the matter to the information commissioner at the Information Commissioner's

Office (Wales), 2nd Floor, Churchill House, Churchill Way, Cardiff, CF10 2HH.
Telephone Number: 0330 414 6421.

Yours sincerely

Marie Davies
Deputy Director of Nursing

Rydym yn croesawu derbyn gohebiaeth yng Nghymraeg. Byddwn yn ateb y fath ohebiaeth yng Nghymraeg ac ni fydd hyn yn arwain at oedi.

We welcome receiving correspondence in Welsh. We will reply to such correspondence in Welsh and this will not lead to a delay.
