Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 17 April 2025, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does not hold the information that you require.

For ease of reference your request is set out below and my response follows

Your Freedom of Information (FOI) Request:

I have a freedom of information request regarding the treatment of Multiple Myeloma. Could you please answer the following question.

Q1. Over the past 6 months, how many adult multiple myeloma [MM] patients have you treated? If you refer your multiple myeloma patients to another centre, please state which.

Powys Response:

Due to the rural and sparsely populated nature of Powys, we do not have district general hospital services within the county. Our residents access their acute and specialist services including cancer treatment in District General Hospitals (DGH) provided by neighbouring health boards in Wales and neighbouring NHS Trusts in England. The table below provides the contact details of neighbouring Health Boards and English providers we commission cancers services from, which you may wish to approach for information to support your request:
