Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 08 December 2025, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does not hold the information that you require. For ease of reference your request is set out below, and the Health Board's response follows.

Your Freedom of Information (FOI) Request:

I am writing to request the following information under the Freedom of Information Act 2000.

Q1. For the last two full calendar years (or the most recent 24-month period you hold data for), how many patients died from cancer while on an NHS waiting list for treatment provided by the Powys Teaching Health Board?

If available, please also indicate whether the figures relate to all cancer treatment pathways or only specific specialties. Any brief context or notes that may help interpret the data would also be appreciated.

Powys Response:

Q1. Powys Teaching Health Board (PTHB) does not directly provide treatment for cancer; the health board commissions cancer services from several Welsh health boards and English provider organisations. We therefore recommend that you approach the providers from whom the health board commissions oncology services:
