Dear [REDACTED]

## Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 09 December 2025, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) partially holds the information that you require.

For ease of reference your request is set out below, and the Health Board's response follows each question individually.

### Your Freedom of Information (FOI) Request and Powys Response (Bold):

I am writing to request the following information under the Freedom of Information Act (FOIA).

**Please Note: Powys Teaching Health Board (PTHB) began to offer Pre-exposure prophylaxis (PrEP) from Powys Sexual Health clinics in October 2025. PTHB offer generic emtricitabine/ tenofovir disoproxil fumarate for Pre-exposure prophylaxis (PrEP) only.**

Q1. How many patients were treated in the last 6-month period with branded or generic emtricitabine/ tenofovir disoproxil fumarate (Truvada) for HIV treatment? - **I can confirm that PTHB does not directly provide HIV treatment services. Patients requiring antiretroviral therapy are referred to specialist services delivered by providers outside Powys.**

**Due to the complex nature of PTHB's commissioning arrangements, not all of our providers indicate the indication for use for each episode of care where these drugs are used. For this reason, PTHB does not hold the data relating to your request, however, the health board is working closely with providers to ensure that this information can be provided in the future. We therefore recommend that you approach our providers for this information directly. The table below lists the main health boards and NHS Trust from which we commission health services for**
