Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information, which was received on 20 February 2025, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does hold the information that you require.

For ease of reference your request is set out below and my response follows.

Your Freedom of Information (FOI) Request:

Under the Freedom of Information, I would like to know in the last five years, out of all advertised job positions where Welsh is an essential criterion, how many successful applicants have been from either Black ethnic or ethnic minority backgrounds?

Powys Response:

Between March 2020 and February 2024, 9 roles were advertised as Welsh essential. We do not retain recruitment information for more than 12 months and therefore are unable to confirm what number of these were from a Black ethnic or ethnic minority backgrounds. Between March 2024 and 1 March 2025, 6 roles have been advertised as Welsh essential, of the applicants who were successfully recruited none were from Black ethnic or ethnic minority backgrounds.

Under the terms of the Health Board's Freedom of Information procedure, individuals seeking access to recorded information held by the Health Board are entitled to request an internal review of the handling of their requests. If you would like to complain about the Health Board's handling of your request, please contact us directly at the address below or register your complaint via Powys.FOI@wales.nhs.uk
