## Request under the Freedom of Information Act 2000

I write further to your request for information, which was received on 24 February 2025, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does not hold the information that you require.

Q2. If you do not treat Melanoma patients within your Organisation, which Organisation do you refer your patients to?

Powys Response:

Q1 & Q2. Powys Teaching Health Board (PTHB) does not initiate treatment with any of the medicines listed; patients are treated by providers outside of Powys. PTHB commissions services from a number of Welsh health boards and English provider organisations. Due to the complex nature of PTHB's commissioning arrangements, not all of our providers indicate the indication for use for each episode of care where these drugs are used. For this reason, PTHB does not hold the data relating to your request, however, the health board is working closely with providers to ensure that this information can be provided in the future. We therefore recommend that you approach our providers for this information directly:
