Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information, which was received on 29 May 2025, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does not hold the information that you require. For ease of reference your request is set out below and my response follows.

Your Freedom of Information (FOI) Request:

I would like to please request information relating to the following question -

Q1. In the last 12 months, how many unique patients in your health board were treated with the following products:

- a) Curosurf
- b) Peyona

Powys Response:

I can confirm that Powys Teaching Health Board (PTHB) does not initiate treatment with Curosurf or Peyona; patients are treated by providers outside of Powys. PTHB commissions services from a number of Welsh health boards and English provider organisations.

Due to the complex nature of PTHB's commissioning arrangements, not all of our providers indicate the indication for use for each episode of care where these drugs are used. For this reason, PTHB does not hold the data relating to your request, however, the health board is working closely with providers to ensure that this information can be provided in the future. We therefore recommend that you approach our providers for this information directly:
