Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 27 October 2025, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does hold the information that you require.

For ease of reference your request is set out below and the Health Board's response follows each question individually.

Your Freedom of Information (FOI) Request and Powys Response (Bold):

Under the Freedom of Information Act 2000, I would like to request the following information relating to the Trust's use of clinical insourcing providers. For the financial years 2023/24 and 2024/25 to date, please provide:

Q1. Whether the Trust currently utilises any clinical insourcing providers to support elective recovery or reduce RTT backlogs. - **I can confirm Powys Teaching Health Board (PTHB) used a clinical insourcing provider to address and reduce waiting list times during this time period.**

Q2. If yes, please list all insourcing providers used during this period, including:

- The specialties supported by each provider
- Whether the contracts were tendered or directly awarded
- The contract start and end dates (or duration)

I can confirm for the financial years 2023/2024 and 2024/2025, PTHB has only used Medinet Clinical Services Limited.

Specialities:

- **Theatre**
- **Endoscopy**
- **Outpatients**

The framework utilised was an NHS Wales Shared Services tender which were all awarded to Medinet. I can confirm these are direct awards.

Q3. The names or job titles of the individuals or departments responsible for the procurement and management of these insourcing contracts.

This is managed by our NHS Wales Shared Services Procurement (NWSSP) Team who can be contacted via the below email: NWSSP.NWALES.PROCUREMENT@wales.nhs.uk

Please note: clinical insourcing refers to the practice whereby external healthcare providers deliver specialised medical services or procedures within a healthcare facility's existing infrastructure, typically to increase capacity or reduce patient waiting lists.

If you have queries or any concerns, contact details are given at the top of the letter. Please remember to quote the reference number above in any future communications. If you are dissatisfied with the handling or response to your request and wish to ask for a review of this, please contact us and we will arrange for this to be done.
