Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 28 October 2025, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does not hold the information that you require. For ease of reference your request is set out below and the Health Board's response follows.

Your Freedom of Information (FOI) Request:

I am writing to you under the Freedom of Information Act to request the following information:

Q1. I would like to request information from latest 12 months data you have access to for the number of patients who have been initiated in primary and secondary care (represented as separate numbers) on the following medicines:

- Ezetimibe
- Nustendi
- Nilembo
- Praluent
- Repatha
- Leqvio

Powys Response:

Prescribing data at a GP practice level is publicly available on the NHS Wales Shared Services Partnership (NWSSP) website: [General Practice Prescribing Data Extract - NHS Wales Shared Services Partnership](#)

Powys Teaching Health Board (PTHB) does not initiate treatment with the medicines listed; patients may be treated by providers outside of Powys. The Health Board commissions these services from a number of Welsh Health Boards and English provider organisations.

Due to the complex nature of these commissioning arrangements, not all of our providers indicate the indication for use for each episode of care where these drugs are used. For this reason, PTHB does not hold the data relating to your request. However, the Health Board is working closely with providers to ensure that this information can be provided in the future.

We therefore recommend that you approach our provider organisations directly for this information:
