Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information, which was received on 29 September 2025, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does not hold the information that you require. For ease of reference your request is set out below and my response follows.

Your Freedom of Information (FOI) Request:

I am writing to you under the Freedom of Information Act to request the following information:

Q1. I am requesting information on how the local gender team in in your health board is funded, and what budget they are allocated annually?

Q2. Is the local gender team's funding shared with other services?

Q3. Does this have an impact on the amount of patients that can be seen by the local gender teams?

Powys Response:

Q1. I can confirm that the local gender team is funded via a Service Level Agreement (SLA), with an annual budget of £55,000.

Q2. The funding is not shared with other services.

Q3. As the SLA has only recently been developed and includes an annual review of demand and capacity, there is currently no impact on the number of patients the team can see.
