Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 17 February 2026, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does not hold the information that you require. For ease of reference your request is set out below and the Health Board's response follows.

Your Freedom of Information (FOI) Request:

I am writing to submit a request under the Freedom of Information Act 2000 for information relating to your Health Board's mobile MRI and CT service contracts. Specifically, I would be grateful if you could provide the following information:

Q1. Mobile MRI and CT contracts

Details of the mobile MRI and CT contracts held by your Health Board for the periods 2024, 2025 and 2026, including equipment-only rentals as well as fully staffed and managed services. For each contract, please provide:

- Contract value(s)
- Which modality is the contract for, MRI, CT or Both
- Current service provider(s) and the locations at which they operate
- Contract duration(s)
- Scheduled renewal date(s)
- The number of bidders who submitted a response and the names of all bidders
- The ranking of all bidders who submitted responses

Procurement frameworks

Information on the frameworks through which these contracts were procured, including:

- Name(s) of the framework(s) utilised
- Relevant framework reference number(s)

Q3. Responsible contacts

Contact details for the Radiology Managers and Procurement Managers responsible for overseeing these contracts, including:

- Name(s)
- Job title(s)
- Email address(es)
- Telephone number(s)

Powys Response:

Q1 – Q3. Due to the rural and sparsely populated nature of Powys, we do not have District General Hospital (DGH) services within the county. Our residents access their acute and specialist services including consultant- services in DGH provided by neighbouring health boards in Wales and neighbouring NHS Trusts in England. Powys Teaching Health Board (PTHB) does not have MRI or CT scanners; therefore, this is a nil response.

If you have queries or any concerns, contact details are given at the top of the letter. Please remember to quote the reference number above in any future communications. If you are dissatisfied with the handling or response to your request and wish to ask for a review of this, please contact us and we will arrange for this to be done.

Further information is available from the Information Commissioner's Office who can be contacted at:

Re-use of Public Sector Information

All information supplied by the Health Board in answering a request for information (RFI) under the Freedom of Information Act 2000 will be subject to the terms of the Re-use of Public Sector Information Regulations 2015.

Under the terms of the Regulations, the Health Board will licence the re-use of any or all information supplied if being used in a form and for the purpose other than which it was originally supplied. This license for re-use will be in line with the requirements of the Regulations and the licensing terms and fees as laid down by the Office of Public Sector Information (OPSI). Most licenses will be free; however, the Health Board reserves the right, in certain circumstances to charge a fee for the re-use of some information which it deems to be of commercial value.

Further information including a sample license terms and fees can be found at Open Government Licence.

Yours sincerely

David Farnsworth
Assistant Director, Community Services Group
