Powys Response:

I can confirm that Powys Teaching Health Board (PTHB) does not have a Rapid Access Chest Pain Clinic. Due to the rural and sparsely populated nature of Powys, we do not have District General Hospital (DGH) services within the county. Our residents access their acute and specialist services in General DGH

provided by neighbouring health boards in Wales and neighbouring NHS Trusts in England. I therefore recommend that you approach our provider organisations directly for this information. The table below lists the main health boards and NHS Trust from which we commission health services for Powys residents. Please note that all providers may not necessarily offer services that fall within the definition in your request:
