For ease of reference your request is set out below and the Health Board's response follows each question individually.

### Your Freedom of Information (FOI) Request and Powys Response (Bold):

I am writing to you under the Freedom of Information Act to request the following information:

Q1. Please can you provide me with a list of all current (financial year 2025/26), and planned (financial year 2026/27), construction and refurbishment projects. **Please see FOI.039.26 Attachment 1 which lists the Projects and the Contractors awarded for 2025/2026 (all current construction and refurbishment projects.) along with a paper submitted to Board in March 2025 [Board 26 March 2025 agenda pack Part1](#) (Item 3.2 page 188).**

**The 2026/2027 construction and refurbishment project programme information is intended for future publication in March 2026; therefore Section 22 of the Freedom of Information Act has been applied – Information intended for future publication. Section 22 is a qualified class-based exemption and consideration must be given as to whether there is a public interest in providing the information prior to the anticipated publication.**

**Information is exempt if, at the time when the public authority receives a request for the information:**

- **The public authority holds the requested information.**

- **The public authority intends the information to be published at some future date, whether that date is determined or not; and**
- **In all the circumstances it is reasonable to withhold the information under its planned publication**

**Considerations favouring Public Interest Test:**

**Powys Teaching Health Board (PTHB) is committed to recognise there is a strong public interest to demonstrate openness, transparency and accountability regarding its future plans into how services are provided and delivered to the public.**

**Considerations favouring non-disclosure:**

**PTHB is committed to publishing information; however, it is not in the public interest to release material that remains in draft form and has not yet been approved, as pre-publication processes are still on going.**

**We have therefore, reached the view that, on balance, the public interest is better served by withholding this information under Section 22 of the FOIA at this time.**

**Under Section 16, our duty to advise and assist, we have provided below a link to our Website where the Board papers will be made available: 2026 - Powys Teaching Health Board**
