Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 03 July 2026, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does not hold the information that you require. For ease of reference your request is set out below and the Health Board's response follows.

Your Freedom of Information (FOI) Request:

I am writing to you under the Freedom of Information Act to request the following information:

Q1. How many early-stage (non-metastatic or Stages 1-3) non-small cell lung cancer (NSCLC) patients were treated in the past 3 months with:

- Atezolizumab (Tecentriq)
- Durvalumab (Imfinzi)
- Nivolumab (Opdivo)
- Pembrolizumab (Keytruda)
- Chemotherapy
- Radiotherapy
- Chemotherapy AND Radiotherapy
- Osimertinib

Powys Response:

I can confirm that Powys Teaching Health Board (PTHB) does not treat patients with non-small cell lung cancer and therefore does not initiate treatment with any of the medicines listed; patients are treated by providers outside of Powys. PTHB commissions services from a number of Welsh health boards and English provider organisations.

Due to the complex nature of PTHB's commissioning arrangements, not all of our providers indicate the indication for use for each episode of care where these drugs are used. For this reason, PTHB does not hold the data relating to
