I can confirm that Powys Teaching Health Board (PTHB) does not treat patients for Gastric and Gastro-oesophageal Junction (GOJ) Adenocarcinoma. PTHB is a non-acute care provider and therefore does not directly provide oncology services. PTHB commissions oncology services from several Welsh health boards and English provider organisations. The table below lists the main health boards and NHS Trust from which we commission health services for Powys residents. Please note that all providers may not necessarily offer services that fall within the definition in your request.
