Dear [REDACTED]

Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 10 March 2026, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does not hold the information that you require. For ease of reference your request is set out below and the Health Board's response follows

Your Freedom of Information (FOI) Request:

I am hoping that you will be able to help me with a Freedom of Information request that I have, can you please help me with the following information.

Q1. How many ovarian cancer patients (any stage) have been treated in the last 3 months with:

Paclitaxel in combination with a platinum-based compound

Platinum-based therapy alone (cisplatin or carboplatin)

Bevacizumab in combination with paclitaxel and carboplatin

Olaparib

Olaparib + Bevacizumab

Niraparib

Rucaparib

Q2. Does your trust participate in any clinical trials for the treatment of ovarian cancer? If so, please provide the name of each trial along with the number of patients taking part.

Powys Response:

I can confirm that Powys Teaching Health Board (PTHB) does not treat patients for ovarian cancer. PTHB is a non-acute care provider and therefore does not directly provide oncology services or undertake cancer clinical trials. PTHB commissions oncology services from several Welsh health boards and English provider organisations. The table below lists the main health boards and NHS

Trust from which we commission health services for Powys residents. Please note that all providers may not necessarily offer services that fall within the definition in your request.
