Dear [REDACTED]

## Request under the Freedom of Information Act 2000

I write further to your request for information which was received on 13 March 2026, to confirm, in accordance with S.1(1)(a) of the Freedom of Information Act 2000, that Powys Teaching Health Board (PTHB) does not hold the information that you require. For ease of reference your request is set out below and the Health Board's response follows.

For ease of reference your request is set out below and the Health Board's response follows each question individually.

### Your Freedom of Information (FOI) Request:

I am writing to you under the Freedom of Information Act to request the following information:

I would like to make a Freedom of Information request, specifically for the figures showing the number of patients awaiting Cholecystectomy surgery, from the point of referral to when they get the procedure across your hospitals, broken down by

1. Year (From 2018-19 and every year since, for which data is available).
2. How long they have been waiting from zero to three months, three to six months, six to twelve months, over a year, over two years and over five years."

Please can this be delivered in the form of a table- with years as rows and numbers of patients as columns or vice-versa.

### Powys Response:

Due to the rural and sparsely populated nature of Powys, we do not have District General Hospital (DGH) services within the county. Powys patients requiring Cholecystectomy surgery would be referred to a neighbouring District General

Hospital. I therefore recommend you contact them directly for this information. The table below lists the main health boards and NHS Trust from which we commission health services for Powys residents. Please note that all providers may not necessarily offer services that fall within the definition in your request.
